Subject: KAZV-TV

I'm writing to protest your closing down of KAZV-TV. This is one of the few outlets for news and information of interest to people in our county. Please reconsider this decision. I had a chance to be interviewed on the station just last month, and it was a great experience. I even had acquaintances tell me they had seen the show. People watch this station. It needs to stay.

Thank you.

Sincerely, Wendy Scott
